## WEST AUCKLAND IN BLOOM

The village has achieved a Level 3 and Improving award in the **RHS It's Your Neighbourhood** competition following a visit by judges in July; this is in recognition of all the hard work and planning carried out by the West Auckland in Bloom team and everyone who has volunteered their help

You can see that once the weather improved, the planters started to flourish and the new four tier planters added to the lovely displays around the village

Looking ahead, the team will continue to receive support from the Parish Council and source funds from any available grants; the project will continue towards the aim of brightening up the village and thereafter maintaining its appearance; there will be a fundraising coffee morning at the Parish Community Rooms in Monteith Close on *Saturday November 16<sup>th</sup>* from 10.00am until 12.00pm; there will also be a need for volunteers to water the planters not already accounted for next summer

If you would like to get involved in any way, please contact:  
Audrey Beck 01388 834911 or Jean Pattison 07921 824821

## REMEMBRANCE DAY

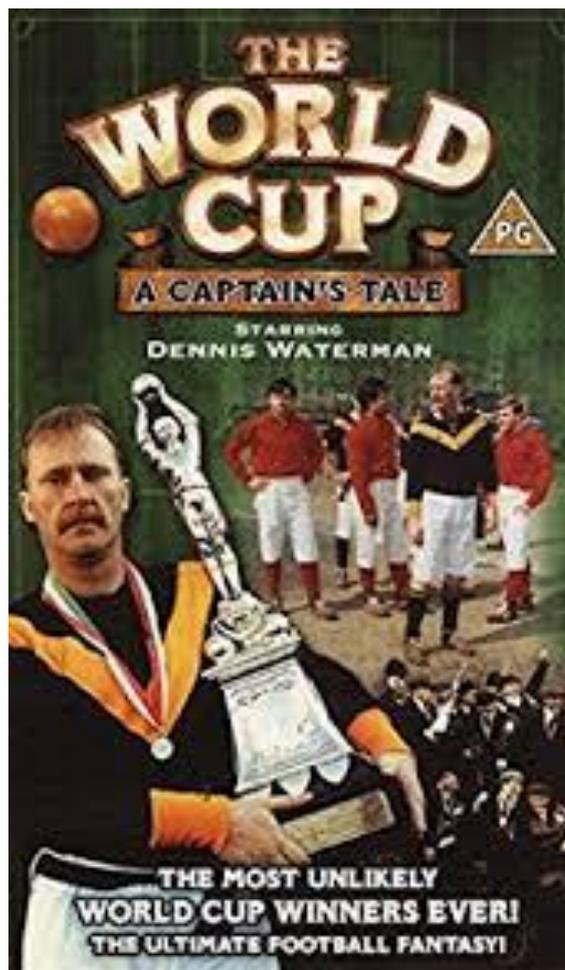

The annual Remembrance Day service will take place on Sunday, 10<sup>th</sup> November in front of the Pant Memorial at 3.00pm. Last year's service commemorated in particular the 100th anniversary of the end of the First World War. This year marks the 75<sup>th</sup> anniversary of the D Day landings during the Second World War.

Should you wish to join the procession through the village towards the Pant, please meet in the car park outside the Well by 2.45pm. You may prefer to just come to the Pant for the service which will include the laying of wreaths and reading the names of those commemorated by name

Refreshments will be available after the service at the Community Parish Rooms in Monteith Close, opposite Oakley Cross School.

## A CAPTAIN'S TALE

The St Helens, West Auckland and District Local History Group meets at 6.00pm on the second Tuesday of the month at *The Ark at St Helens Church*.

On 10<sup>th</sup> December the meeting will have a football theme and include a showing of **A Captain's Tale**, an account of how the humble footballers of West Auckland won the first World Cup. One of the stars was Tim Healey who, alongside Sir John Hall and David Thomas, unveiled the statue on the village green which commemorates the event; David is a former professional footballer whose grandfather was a member of that historic team. You can view the statue and read details of the event on the nearby bus shelter at any time but the film, made for television in the 1980s is well worth watching.

If you would like to attend this meeting please contact the Hon Chairman on [jraw2883@aol.com](mailto:jraw2883@aol.com) to help provide a rough idea of numbers attending.

## SPRING BULBS

Over 1,000 more spring bulbs have been planted as part of the continuing project to brighten up the village; many thanks to Councillor Neil Simpson for all his hard work in driving this project as it extends around the village.

## COFFEE MORNING

There will be a coffee morning at the Parish Community Rooms in Monteith Close on

**Saturday November 16<sup>th</sup>**

to raise further funds towards maintaining the West Auckland in Bloom initiative

**10.00am - 12.00pm**

## **WORLD CLEANUP DAY**

On Saturday September 21<sup>st</sup>, residents teamed up with around 50 staff from local packaging company Smurfitt Kappa for a litter pick around the village; the day formed part of a wider movement involving Smurfitt Kappa branches around the world in an attempt to tackle plastic pollution; the Parish Council had intended to have an Autumn litter pick later in the month but altered their arrangements to join forces with the company instead

Smurfitt Kappa's company action team have linked up with Odyssey Innovation, an organisation which works to turn marine plastic into kayaks which can be bought online; any money made from the sale of kayaks as a result of the West Auckland litter pick will be donated to charity

A successful day saw a good number of people take part and about 50 bags of rubbish collected, followed by food and activities for all participants

Many thanks to the Smurfitt Kappa action team for their organisation and to everybody who gave their time to take part.

Please note that whilst The Well will continue to open as normal on Tuesday, Wednesday, Thursday and Friday from 9.00am to 3.00pm it will only open on the first Saturday of each month from 10.00am until 1.00pm in future.
